

Meet Basik Lee!

GREETINGS FROM SAVANNAH!

Hello Musical Explorers,

I'm Basik Lee, otherwise known as Steven!

I grew up in New Jersey, not far from where hip hop was born. I have been listening to hip hop since forever, and I have a passion for the power of the music. I'm here to let you know that it's possible to live your life doing the things you love. You create your own reality with your thoughts and your words—that's what I do with my rhymes. Let's have fun and uplift one another!

Peace and love,
Basik Lee
