

Meet Hollie and Bernard!

Dear Explorers,

Hello! We are Hollie and Bernard, and we play instruments from the brass family. Hollie plays the trombone, and Bernard plays the tuba. Our instruments are big, shiny, and they are loud! We are friends who play together all over Georgia—we love playing in small groups with other brass musicians, and we love playing in orchestras with almost 100 other people! Most of all, we love having fun while we play—and we hope you will have fun with us at the Musical Explorers concert this spring!

Your friends,
Hollie and Bernard
