

# Meet Gino!

Dear Musical Explorers,  
My name is Gino, and I play and sing salsa music. I have lived all over the place - I was born in Ecuador, grew up in Cuba, lived in New York City, and now I play music in Charleston, South Carolina! Salsa is much fun to sing and dance to. You'd better have your dancing shoes on when I see you at the concert!

i Mucho Aché!
