

# Create a Scene with Music

Choose one of the weather scenes below, or create your own. Use the tune of the “Five Feet High and Rising” when adding musical ideas. Now it is your turn to try some musical opposites to see which ones help tell your weather story. Below are some ideas to try. Feel free to try other ideas too!

## Weather Scenes

Ninety-five & sweltering

It's snowing in Georgia

It's just right at

---

[school name]

Or choose your own!

## Musical Opposites

smooth & bouncy

fast & slow

low & high

loud & soft

Or choose your own!
