

Meet Victor & Marcella!

Salut mes amis,

I'm Marcella and my good friend is named Victor. We are so excited to join your exploration of second line music! We have a deep love for New Orleans brass bands. I grew up immersed in New Orleans jazz, funk, Zydeco from the country, and all things Louisiana. Our music is undeniably joyous and it gets you up on your feet dancing! Do you like to dance? Are you ready to have some fun with us at the concert?! Maybe you will even catch a Mardi Gras beaded necklace. As we say in Louisiana, allons mon ami! (let's go my friend!).

*Good times are ahead!
