

# Compose Your Own Festival Rhythms

Rhythms are used at the Festival of San Juan to involve the community. Create your own festival rhythm by choosing three different sounds and layering them together. You can use classroom instruments, found objects, or your body.

**Rhythm 1:** \_\_\_\_\_

**Rhythm 2:** \_\_\_\_\_

**Rhythm 3:** \_\_\_\_\_

Each rhythm will be eight beats long, from 1 to 8. Where do you want to put your sounds? If you want silence, you can leave the space blank.

**Rhythm 1:**

1	2	3	4	5	6	7	8

**Rhythm 2:**

1	2	3	4	5	6	7	8

**Rhythm 3:**

1	2	3	4	5	6	7	8
